Amdt date October 13, 2011
Reply to Office action of June 8, 2011

REMARKS

These remarks are in response to the Office action mailed on June 8, 2011. Reconsideration on the basis of the remarks below is kindly requested.

Enclosed please find three executed Supplemental Declarations from the co-inventors, and a non-executed Supplemental Declaration, along with a Petition to consider the same for inventor Zhigang Fang.

The Examiner rejected the claims pending in this application under 35 U.S.C. §251 as being defective and the Examiner provided acceptable language. The language provided by the Examiner has now been incorporated into the Supplemental Declarations being submitted herewith. Thus, applicant submits that the rejection of over a defective reissue oath/declaration should now be overcome.

The rejections to all claims pending in this application are believed to have been overcome and this application is now believed to be in condition for allowance. Should the Examiner have any remaining questions or concerns about the allowability of this application, the Examiner is kindly requested to call the undersigned attorney to discuss them.

Respectfully submitted,
CHRISTIE PARKER & HALE, LLP
